

### Registration fee and accommodation

	before	after March 15, 2006
Regular	250 €	300 €
Students	180 €	220 €

The registration fee includes participation in the workshop, one copy of the book of abstracts and of the proceedings, welcome reception, conference dinner, excursion, all workshop breaks and three buffet lunches. Accommodation is not included. For the **room-reservation** use the hints on our web-site please. Registration is considered after payment. All interested colleagues are encouraged to use the online pre-registration.

### Method of Payment

Payment is requested by bank transfer or by credit card. For bank transfer please send the total amount before March 15, 2006 in Euro to:

Account holder: Institut fuer Niedertemperatur-  
Plasmaphysik  
Account: 100008038  
BLZ: 150 505 00  
IBAN: DE22 1505 0500 0100 0080 38  
BIC: NOLADE21GRW  
Bank: Sparkasse Vorpommern  
Bank Address: Hans-Beimler-Str. 1-3  
17489 Greifswald  
Transfer code: IWM 2006, name of participant

Transfer charges have to be paid by the participant. Please send the proof of payment by bank transfer together with an informal confirmation of your registration to the secretary of the LOC. Personal checks or bank drafts are not accepted. - For payments by credit card, we accept MasterCard and Visa. Tell us the number of your credit card and the expiry date either by fax or letter, please, then the payment will be made.

### Call for papers

Participants who want to present a short lecture or a poster are requested to send an abstract of not more than 300 words to the LOC by the abstract submission form on the web-site. The LOC will select further speakers from the incoming abstracts. Posters are welcome for additional information. The display panels provided for the posters are 1.0 m wide and 1.5 m high. The accepted abstracts will be printed in a booklet and will be handed out at the beginning of the workshop. The International Scientific Committee (ISC) has proposed speakers to give plenary as well as invited lectures. A special issue in a scientific journal is planned with the plenary and the invited lectures. The LOC will send the proceedings to all registered participants immediately after printing. For publishing an article in the proceedings it is necessary that at least one of the authors is registered.

### Events and conference excursions

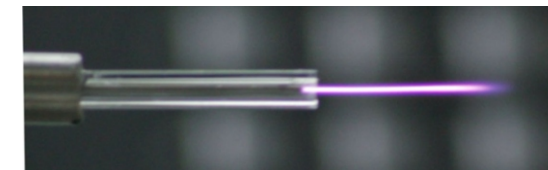

For participants and accompanying persons a welcome buffet and a conference dinner will be offered. On Wednesday a ship tour on the Baltic Sea is planned which also includes the conference dinner. This requires an extra charge for accompanying persons.

**IWM** 3rd  
International Workshop  
on Microplasmas

2006, May 9 – 11  
Greifswald, Germany

Second Announcement

Institute of Physics  
Greifswald University

**INP**  
Greifswald

## Dear colleague

We would like to invite you to participate in the 3<sup>rd</sup> International Workshop on Microplasmas from Tuesday, May 9 to Thursday, May 11 2006, which will take place in the old university town of Greifswald.

## General information

The subjects of this workshop are the inspiring scientific and arising technological opportunities of microplasmas and microdischarges. We will discuss the latest results of research and applications of plasmas with linear dimensions in the range from mm to  $\mu\text{m}$  and operating pressures up to and exceeding atmospheric pressure. The workshop is organized by the INP Greifswald (Institute of Low Temperature Plasma Physics) in cooperation with the IfP (Institute of Physics of the Ernst-Moritz-Arndt-University Greifswald).

## Location

The workshop takes place in the Alfried Krupp Kolleg Greifswald in the old town centre.

Martin-Luther-Str. 14

17489 Greifswald

Phone: +49-3834-8619001

[www.wiko-greifswald.de](http://www.wiko-greifswald.de)

15 min from the Greifswald railroad station on foot.

## Travel information

Conference participants arriving by air would fly to the airports of Berlin or Hamburg. From there Greifswald can be reached by train or car. Detailed timetables can be obtained at the travelservice of the Deutsche Bahn from:

[www.reiseauskunft.bahn.de](http://www.reiseauskunft.bahn.de)

An alternative air connection is to arrive in Germany via Cologne/Bonn or Munich and take a connecting flight to Rostock/Laage which is situated near the motorways A19 and A20: [www.rostock-airport.de](http://www.rostock-airport.de)

If you come from Scandinavia or the Baltic states there are several ferry boats to Rostock and Sassnitz (Isle of Ruegen):

[www.faehrhafen-sassnitz.de](http://www.faehrhafen-sassnitz.de)

## Scientific program

The scientific program covers all modern aspects of microplasmas connecting fundamental research with applications.

1. **Basics** (theory, simulation and experiments)
2. **Biomedical implementations**
3. **Progress in applications**

## List of plenary lecturers

- U. Kogelschatz**, retired from ABB Zürich, Switzerland  
**L. L. Raja**, The University of Texas at Austin, USA  
**E. Stoffels**, Eindhoven University of Technology, The Netherlands

## List of invited lecturers

- N. Abramzon**, CalState Pomona, USA  
**M. Bowden**, Open University, UK  
**J. Ehlbeck**, INP Greifswald, Germany  
**R. Foest**, INP Greifswald, Germany  
**G. Font**, US Airforce Academy, USA  
**S. Gershman**, Rutgers University, USA  
**S. Hamaguchi**, Osaka University, Japan  
**R. Hatakeyama**, Tohoku University, Japan  
**C.-P. Klages**, TU Braunschweig, Germany  
**K. V. Kozlov**, Moscow State University, Russia  
**J.-D. Liao**, National Cheng Kung University, Taiwan  
**A. Maximov**, Institute of Solution Chemistry, Ivanovo, Russia  
**J. Rahel**, Masaryk University Brno, Czech Republic  
**A. Rousseau**, LPTP, Ecole Polytechnique, Palaiseau, France  
**O. Sakai**, Dep. of Electronic Science and Engineering, Kyoto University, Japan  
**K. Schoenbach**, Old Dominion University Norfolk, VA, USA  
**K. Stalder**, ArthroCare Corp., Sunnyvale, CA, USA  
**K. Uchino**, Kyushu University, Japan

For the titles have a look on the web-site, please.
